

## IIFSS SUMMER 2020 MASTER'S FINAL DISSERTATION WORK (ONLINE) OPPORTUNITY

### IMPORTANT NOTIFICATION

Students currently enrolled in the final Year/Semester/Quarter of their Master's Degree program in Forensic Science, Criminology, Law, Disaster Management, International Security & Related Areas, interested in doing their Master's final Dissertation (Project) Work at IIFSS, India, may directly contact the Director, IIFSS, **Ms. Kajal Singh**, over email at: [director@iifs-studies.in](mailto:director@iifs-studies.in), with a copy of their Resume, a Cover Letter, and, a brief Preliminary Research Idea (maximum 500 words).

**Please Note:** Students would also need to submit an official letter from their respective Institutions permitting their Dissertation work to be completed externally at IIFSS, India.

**Exact Topic of Dissertation would be approved by IIFSS, India after consulting with the student and concerned Faculty Supervisor from their respective institution, upon initial selection of the student.**

This is an **Online** opportunity, so scientific laboratory (Wet Lab) based dissertation work may not be possible. Some DIY scientific practical analysis work may be permitted, depending upon project requirements and nature of practical work. However, hands-on online practical work (Dry Lab) in areas like: Cyber Crime Investigation, Cyber Security, Computer Forensics, Mobile Phone Forensics, etc. **may be** possible, again depending upon exact nature of dissertation work, and availability of resources at the institution.

Each Student would be advised & supervised by a **Dissertation Supervisor / Advisor** from IIFSS. Joint Supervision by one Faculty member from Parent University or Institution **may be** permitted, on a case by case basis, as per requirement and upon prior request only. IIFSS will abide by parent institution's rules and regulations in terms of Guidelines for Writing Dissertation Work, and expects the parent institution to work collaboratively in the matter and abide by all rules & regulations set up by IIFSS as well, from time to time.

**There is No Fee charged towards Dissertation Work by IIFSS, India.**

Students would be awarded a **Certificate of Completion**, upon successfully completing the Dissertation work with us. An acknowledgement must be given to IIFSS and its Supervisor in the dissertation submission, and the *Certificate of Completion* be enclosed to the Original (& any duplicate) copy of dissertation.

**There is NO DEADLINE for applying to do a dissertation/project work with us.** Applications would be accepted on a rolling basis.

**Students from Foreign Universities/Institutions looking to begin their dissertation in the Winter/Spring/Fall Term are also welcome to contact us.**

For further inquiries on the above requirements, kindly contact over the above email.

We look forward to receiving your completed Application very soon.

Good Luck!

*K Singh*
